2017 WEDDING & BANQUET MENU

Thank you for your inquiry about a banquet at The Silo Restaurant. Enclosed I hope you will find everything you need to make your selection. If you have any special requests, we will sit down with you and tailor the arrangements to fit your needs. Don't hesitate to call and make an appointment to discuss your ideas.

Please note that we have two (2) private banquet rooms, which are available for weddings, rehearsal dinners, meetings, parties, etc. Our large banquet room, accommodating up to 300 guests, has spacious, open views of our magnificent Silo gardens and surrounding valley, its own private bar and lovely hardwood floors. You'll find an equally spectacular view from our small banquet room, with its delightful country décor and charming fireplace; ideal for gatherings of up to 35 guests.

For overnight guests or your special evening away, we have three (3) private guest rooms available in our Carriage House. The lovely country setting of our guest rooms, all of which possess a beautiful view of the Silo countryside, will delight you. Enjoy your complimentary fresh-brewed coffee and Danish while relaxing in the privacy of your room. Why not make arrangements to join us for our fabulous Silo Brunch Buffet offered each Sunday from 10 am to 3 pm, or choose our Silo Seafood Buffet Extravaganza Fridays from 4 pm to 9 pm for a delicious rehearsal dinner.

Our landscaped grounds are exceptionally picturesque year-round and will provide the perfect backdrop for your special photo memories-an ideal setting for your garden wedding ceremony!

Thank you for considering The Silo Restaurant for your next gathering. Please feel free to call me with any questions you may have.

Sincerely,

Gary D. Kurz
